

# Trio Sorrentino

we ran away with the circus...

**Lula the Hula** presents, with grace and elegance, a dynamic Hula Hoop routine packed full of never-to-be-seen-before tricks.

**Jan the Man** throws and catches his hat in a juggling act performed to the last perfection. Until his dog Jester, who is extremely interested in fetching the hat, comes into the game...

**Jester the Dog** doesn't just steal hats though! He can sing, ride a skateboard and do all sorts of breathtaking acrobatic stunts with his master Jan.

And that's not all folks! - the entire show is accompanied by live accordion music.

Altogether an unusual Show with plenty of humour that will definitely lift the spirit of your event sky high!
